## **St. Albert the Great Preschool**

This handbook is prepared for the parents of all children enrolled in **St. Albert the Great Preschool**. It is designed to explain the programs, and show how you can help your child make initial and continuing adjustments to time away from home.

### **Philosophy:**

The programs of **St. Albert the Great Preschool** will provide a learning environment in which a child is helped at his or her own level to learn how to plan his own life-actions: Where a child receives love, security, acceptance, values, self control, independence, protection, and guidance and teachers earnestly try to involve a child in the excitement of learning.

The curriculum of each class encircles the vital objective of helping a child to develop a positive self- image. A wide variety of experiences are planned in order that each child has opportunities for success.

The program provides for the total child: His/Her particular needs within their moral and spiritual, social, emotional, physical, and mental development.

2. Lay the groundwork for a personal and lasting relationship with Christ.
3. Develop an attitude of kindness, cooperation, respect, courtesy, and helpfulness toward others.

4. Accept appropriate individual and social responsibility in their group.
5. Build problem-solving skills.

1. Gradually mature in emotional responses and self-discipline.
2. Properly express emotional responses.
3. Become progressively independent.
4. Develop self-confidence.

Mental - To help the child:

1. Develop a love for learning.
2. Develop independent thinking, draw conclusions and make choices.
3. Broaden his/her range of interest.
4. Develop his/her language powers and encourage self-expression.

5. Grow in an ability to concentrate.
6. Encourage creativity.
7. Improve his/her skills

Physical - To help a child:

1. Participate in a variety of both fine and gross motor activities.
2. Establish desirable health habits.
3. Know and follow simple rules of safety.

**St. Albert the Great Preschool** is a pro-social program. Each week the schedule offers a wide variety of activities that include rhythm, music, art, literature, physical education, math, social studies, science, and language arts . Our curriculum also includes play. Play belongs to childhood. Through play, a child works his/her way into joy, and into a more mature capable person, ready for the next step in his/her growing development.

### **Preschool Policies:**

To avoid confusion, all clothing should be labeled with the child's name and placed in a zip-lock bag. Their name should be on the outside of the ziploc bag. Other items of clothing such as a sweater, jacket, hats, mittens, etc., should be clearly labeled too.

(no boots, crocks, dress shoes, or cotton mary janes) No jewelry may be worn to school. \*\* Girls please wear shorts under your jumper or skirts.

**Transportation:** **St. Albert the Great Preschool** does not provide transportation service. If transportation is used for a field trip, you will be notified in advance.

**Rest Time:** Each child is expected to rest after lunch each day for a reasonable period, not to exceed 2 hours. Mats are provided for this period. Please send in two crib-sized sheets with elastic and without holes and a favorite **small** blanket for rest time. Sheets and blankets should be labeled with the child's name and will be sent home on Friday of each week to be laundered and returned on Monday. If the sheets come in without a name we will have to use a permanent marker to write their name on the sheet.

**Play:** Play is a vital part of a child's growth. Children will be taken outside each day except when it's too cold, wet, or extremely hot or the pollution index is considered dangerous. When your child's class goes outside, everyone goes outside. If for some reason you feel your child must not be outside, please discuss this with the teacher and/or the director. On days with inclement weather, the gym may be used.

**Field Trips:** The children will occasionally be taken on an excursion that will enhance their classroom experience. You will be notified in advance of a field trip with a note and permission slip requiring your signature. The signed permission slip must be returned for your child to participate. Along with field trips, we often arrange for special guests to come into the program to share with the children. If you are interested in chaperoning a field trip, please let the director know right away as we are now required to have a Criminal Record Check (CRC) on all parents going on field trips with us and you must complete the Honor thy Child Class. **No field trips until emergency regulations are changed.**

**Immunization:** Each child is required to have a **current up-to-date immunization** certificate on file in the office within 30 days of enrollment. The immunization must include two Hepatitis A shots. Updated certificates should be provided to the program as children receive further immunizations. Notices will be sent home when your child needs an updated immunization. Your child may not return to school once their immunization certificate has expired unless we have an updated one.

**Birthdays:** This is a special day in a child's life. Please make arrangements with your child's teacher for this special day. You may send a treat for this special occasion, however due to health regulations; **they must be store/bakery bought rather than home made.** You may drop off the snack during drop off . Please check with your child's teacher for allergies.

**Toys:** Children should be discouraged from bringing personal toys and books to the preschool, which may promote a conflict with other children. The preschool cannot be responsible for personal items, which may be damaged or lost. It may be necessary for the teacher to remove items from the child's possession until the end of the day. Please be supportive of staff when such decisions are made. **There will be opportunities for your child to share a personal item based on the teacher's calendar. This will be suspended during the COVID -19 period.**

**Discipline:** The goal of **St. Albert the Great Preschool** is to teach children self-regulation. The guidance techniques used are on the developmental level of the child and include: positive reinforcement, redirection, time-out, and helping the children solve their own problems. Children are made aware of expectations through the consistent use of clearly defined limits. No physical or harsh verbal discipline will be used. Physical discipline such as spanking is not permitted by staff or parents on the school's property. Should continual behavior problems occur, a meeting between preschool staff and the parents will be held in order to determine an appropriate course of action that is agreeable to all.

**Communication:** **St. Albert the Great Preschool** considers it essential for the home and preschool to work as partners to encourage the maximum growth in all areas of your child's development. Weekly newsletters will be available and sent out electronically (please make sure we have a working e-mail address for you). Monthly calendars will be sent home digitally. Special activities calendar will be sent out from the director . If there are concerns, we will be happy to schedule a conference with you. We would prefer not discussing behavioral problems in front of the children or at carpool.

The teachers cannot accept verbal messages from a child. Please send in a note or email the teacher or director . You may also call the director's at 425-1804 ext 197.

**Parent /Teacher Conferences:**

Parent/Teacher Conferences will be scheduled twice a year. You will be notified in advance of the time and place. If you need to confer with the teacher at another time, a phone call can be arranged for a specific time. Students will be assessed using a Preschool Progress Report within 90 days of the first day of school and the results will be shared with you during conferences

**Arrival and Departure:** The children may arrive as early as 7:15 . Parents will walk the student to the Parish Life Center . Their temperature will be taken and assistants will walk the student to the classroom. Dismissal is at 11:15 for half-day sessions and 2:45 for full-day sessions. After school care is from 2:45-6:00pm.

If tardy in the morning, a responsible adult will take the child to the office and a staff member from the office will walk them over to the preschool. You must sign the permission slip included in the packet for the office staff to walk them over. If you do not sign it, you will be responsible for walking them over to the preschool.

Your child’s health forms should be **UP TO DATE AT ALL TIMES** including the physician’s name, phone number and hospital of preference. Please be sure you have completed the emergency medical treatment portion of your child’s registration form. Up to date contact information for both parents as well as an alternate contact person are vital.

Medication is given only when the medication permission form has been completed and signed by the parent. Parents must sign off daily for continuous medication use. Medication permission forms may be obtained from the preschool office. The preschool is not allowed to dispense over the counter medication. If possible, please dispense medication at home before/after school.

If your child uses a medication on an as needed basis such as an Epi pen or inhaler, we must have a letter from your doctor on their letterhead stating that it is to be used as needed and what the dosage is when used.

**Policy for Custody Dispute:** Children will only be released to adults listed on the registration form/carpool authorization form. In case of a custody dispute, the preschool will not undertake the decision of legal and physical custody of a child, but will rely on the information provided by the enrolling parent. Copies of legal documents regarding custody will be maintained in the child's file. Court orders will be followed.

**Fire, tornado, earthquake drills:** Each month the preschool will have a fire drill to familiarize children and staff with proper exit procedures. Quarterly tornado and earthquake drills will be held as well. In the event of severe weather, it is safer for both parents and children to remain where they are at the time of the alert. The preschool has established safe places within St. Albert buildings for all children to go to in the event of such an emergency.

**Right of Dismissal:** **St. Albert the Great Preschool** reserves the right to dismiss a child due to non-compliance of the policies by the parent. The child will be dismissed with two weeks notice. In extreme circumstances, immediate dismissal will be given at the discretion of the director. The preschool always reserves the right to dismiss a child if circumstances warrant.
